Yes, we'll be meeting in our EPA Regional office in downtown Seattle. I'll send out logistical info later this week.

Darrell Early, ID AG's office, will be flying in from Boise on Thursday morning, to arrive downtown by 10:00 am. So I suppose we'll start then and plan to go late in the day, as needed. On Friday, we should get an earlier start and go until late afternoon.

Subject Meeting on January 15 and 16

Cliff,

We are working on travel arrangements. We assume the meetings will be at your offices, but what do you anticipate for starting and ending times? Thanks.
